HELLO THERE!

Welcome!

At Medserv Healthcare Solutions, our mission is to empower individuals with the skills and confidence to save lives.

The HSI CPR Instructor Development Course represents our commitment to high-quality, hands-on training that makes a real difference.

We believe every instructor we train becomes a beacon of safety in their community, and we're excited to have you learn with us.

Your journey to becoming a life-saving leader starts here. We're proud to support you every step of the way.

Regards,

Joydeep Paul

Owner & Chief Training Officer, Medserv Healthcare Solutions

COURSE OVERVIEW

COURSE OBJECTIVES

- Gain proficiency in CPR techniques.
- Learn the essentials of teaching CPR.
- Understand guidelines and administrative procedures.

MATERIALS PROVIDED

- Access to HSI's instructional videos and resources.
- A CPR Instructor kit (purchase required).
- Option to rent or buy equipment.

HOW DOES IT WORK?

1

Complete the HSI CPR instructor development course online.

2

Attend an in-person session covering guidelines, class setup, and the OTIS management platform. Participate in a mock class to practice skills and teaching methods.

3

Finish your training and become an HSI-certified CPR instructor.

COURSE BENEFITS

01

CAREER OPPORTUNITIES

Certified instructors are in demand across various sectors, including healthcare, education, and corporate safety programs.

02

CONTINUING EDUCATION

Gain an opportunity to explore additional certifications and advanced training courses.

03

PERSONAL FULFILLMENT

Empower others with life-saving skills and contribute to community safety.

WHO SHOULD ATTEND?

Our CPR instructor development course is recommended to anyone with basic CPR knowledge who wants to teach other people inside or outside of their workplace how to save lives

WANT TO BECOME A CPR INSTRUCTOR?
